    }
}
```

### **LogoutServlet.java**

```
import java.io.*;
import javax.servlet.*;
import javax.servlet.http.*;

public class LogoutServlet extends HttpServlet
{
    public void doGet(HttpServletRequest request, HttpServletResponse
response)throws ServletException, IOException
    {
        response.setContentType("text/html");
        PrintWriter out=response.getWriter();
        HttpSession session=request.getSession(false);
        session.invalidate();
        request.setAttribute("logout","You have been sucessfully
logged out");
        RequestDispatcher
rd=request.getRequestDispatcher("/login.jsp");
        rd.include(request,response);
    }
}
```

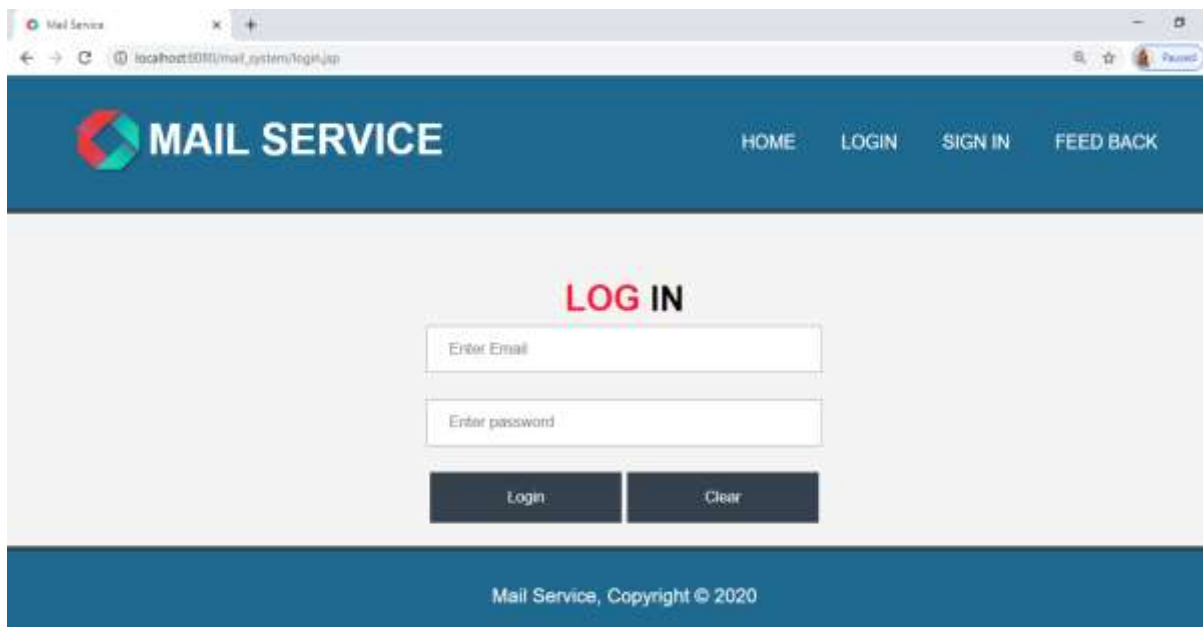

## ➤ Screenshots:

### Sign in

A screenshot of a web browser displaying the 'MAIL SERVICE' sign-in page. The browser's address bar shows 'localhost:8080/mail\_system/register.jsp'. The page has a dark blue header with the 'MAIL SERVICE' logo and navigation links: HOME, LOGIN, SIGN IN, and FEED BACK. The main content area is light gray and features a 'SIGN IN' heading in red. Below the heading are five input fields: 'Enter Name', 'Enter Email', 'Enter Password', 'Enter Contact No.', and 'Enter Country'. There are also radio buttons for 'Male' and 'Female'. At the bottom of the form are two buttons: 'Sign In' and 'Clear'. The footer is dark blue with the text 'Mail Service, Copyright © 2020'.

### Login

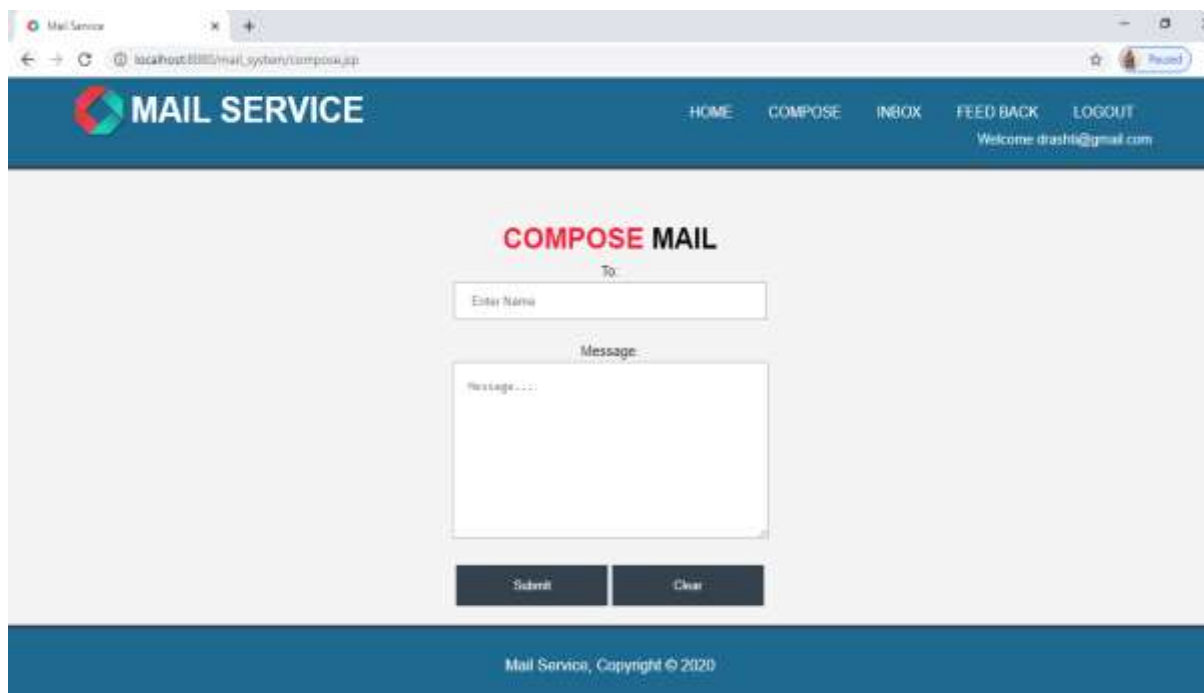

A screenshot of a web browser displaying the 'MAIL SERVICE' login page. The browser's address bar shows 'localhost:8080/mail\_system/login.jsp'. The page has a dark blue header with the 'MAIL SERVICE' logo and navigation links: HOME, LOGIN, SIGN IN, and FEED BACK. The main content area is light gray and features a 'LOG IN' heading in red. Below the heading are two input fields: 'Enter Email' and 'Enter password'. At the bottom of the form are two buttons: 'Login' and 'Clear'. The footer is dark blue with the text 'Mail Service, Copyright © 2020'.

## Home

## Compose

## Inbox

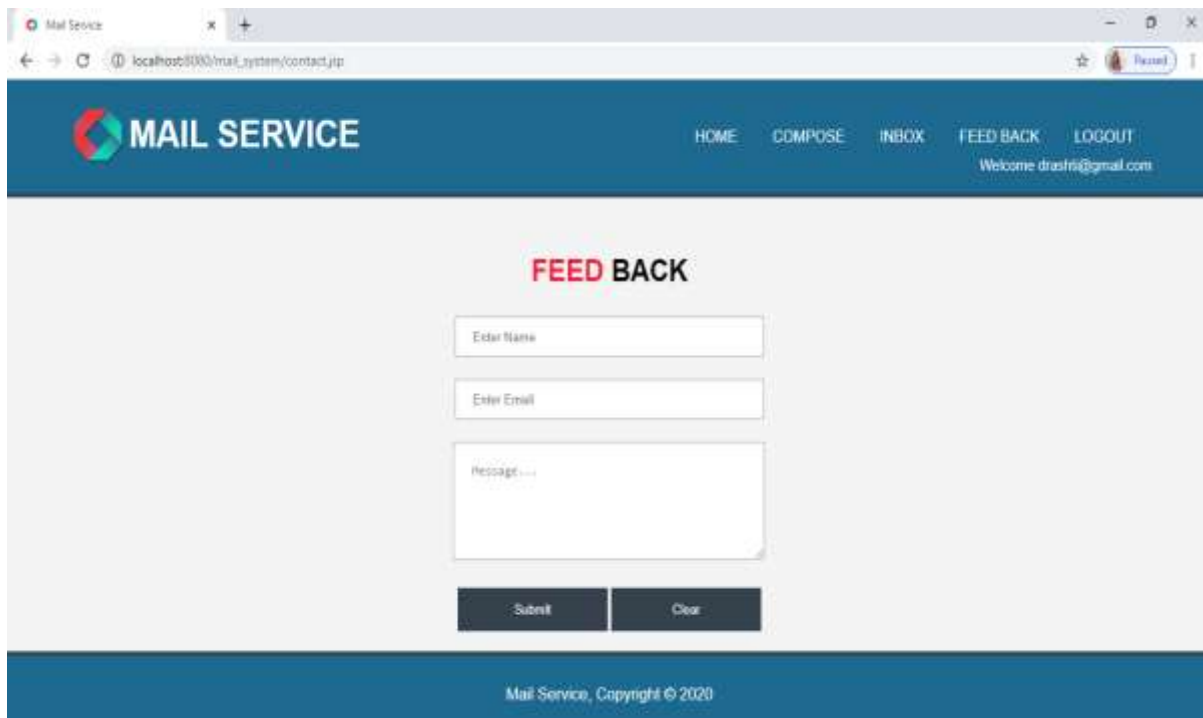

The screenshot shows a web browser window with the URL `localhost:8080/mail_system/inbox.jsp`. The page has a dark blue header with the "MAIL SERVICE" logo and navigation links: HOME, COMPOSE, INBOX, FEED BACK, and LOGOUT. A welcome message "Welcome drashti@gmail.com" is displayed. The main content area features a table with the following data:

SENDER	MESSAGE	DATE OF RECEIVING	Delete
shyam@gmail.com	Hello, this is Demo Mail	2020-03-05	<a href="#">Delete</a>
janki@gmail.com	Hello, Good Morning!	2020-03-05	<a href="#">Delete</a>

The footer contains the text "Mail Service, Copyright © 2020".

## FeedBack

The screenshot shows a web browser window with the URL `localhost:8080/mail_system/contact.jsp`. The page has the same dark blue header as the inbox page, with the "MAIL SERVICE" logo and navigation links: HOME, COMPOSE, INBOX, FEED BACK, and LOGOUT. A welcome message "Welcome drashti@gmail.com" is displayed. The main content area is titled "FEED BACK" in red and black text. It contains a form with three input fields: "Enter Name", "Enter Email", and a larger "Message" text area. Below the form are two buttons: "Submit" and "Clear". The footer contains the text "Mail Service, Copyright © 2020".
